COUNTRY OF THE YEAR GERMANY BUILDING AN ORGANIC FUTURE

From established companies to young start-ups, the German organic sector produces high-quality products and is dedicated to creating an organic future. Organic farmers, producers and traders are cultivating progress and taking responsibility – in their own country, in Europe, and internationally. Discover the world of organic products in Germany!

BIOFACH.COM

BIOFACH. SUSTAINABLY EFFECTIVE.

BIOFACH is known for its unique variety of organic foods as well as its firm commitment to strict admission criteria and rigorous certification. Its high standards are convincing – and connect exhibitors to visitors from around the world. That's because BIOFACH is the world's leading trade fair and networking platform, and as such is the central event in the industry. It presents innovations, generates new ideas, sets trends – and shapes the long-term development of the organic world. From 15 – 18.2.2017 in Nuremberg.

Your BIOFACH team

THE NEW TOPIC AREAS OF BIOFACH

- New Products and Trends
- Experience and Discover
- Know-how and Learning

LIFE IS TOO SHORT
TO EAT BORING ICE CREAM

NEW PRODUCTS AND TRENDS

For explorers: The **Novelty Stand** with 500 m² full of trends and innovations from more than 20 countries – and don't forget to choose your favourites for the **Best New Product Award!** Fresh ideas that are “made in Germany” await you at the “**Young Innovative Companies**” pavilion – there is so much to look forward to!

EXPERIENCE AND DISCOVER

Gain new inspiration and discover high-quality products in the **Worlds of WINE, OLIVE OIL and VEGAN**. The **World of HoReCa** offers you a unique variety of offerings and inspirations for gastronomy and communal catering – including networking with experts and representatives of organizations and associations.

KNOW-HOW AND LEARNING

BIOFACH CONGRESS

Organic opens up opportunities for society as a whole. The largest congress in the industry traces those opportunities under the motto “Diversity and Responsibility for the one world.” In every hall you can look forward to more knowledge and valuable contacts with experts and shapers of the industry. For more information, visit biofach.de/programme

GENERATION FUTURE NETWORK HUB

Organic offers opportunities: Learn all about education and job prospects and make valuable contacts at the Careers Centre and at the job market. The Organic Food Industry Research Award recognizes the best final papers focusing on organic topics and shows the wide range of an exciting industry.

ORGANIC CHANGES

Learn about the latest developments and challenges of the organics industry with regard to NGOs.
